

Real Estate Group

The Real Estate Group is the largest of the Sponsor's business activities. It operates in a very niche arena and focuses on real estate development practice. The Group has successfully advised on projects in the SAARC Region and collaborated and participated on projects in the U.K., Singapore, United States, Gibraltar, Kenya, Uganda, Zimbabwe, Australia and New Zealand.

More than six million square feet of real estate development and construction have been included in the Group's portfolio. The Real Estate Group has expertise in design, construction, partnering and co-venturing, financial restructuring, advice on mergers & acquisitions, and general counsel on the direction of real estate projects.
